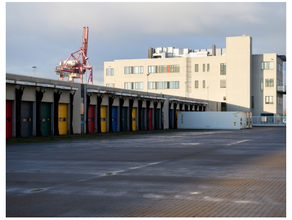
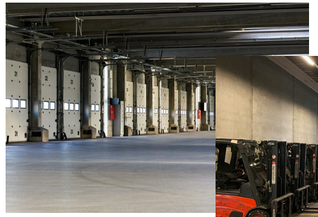
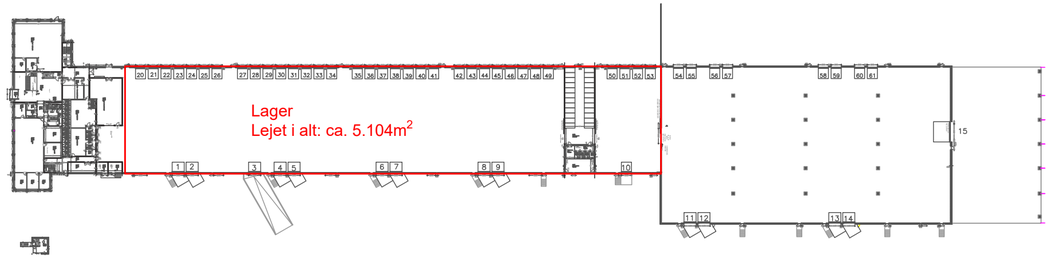
Warehouse facilities for you

The building contains approx. 5,500 m² cross-docking warehouse with 30 gates and 9 sluice gates. The high storage is approx. 4,000 m² with 4 sluice gates and 4 level gates. In connection with the high storage, there is 1,500 m² covered area. The entire area around the building is fenced.







Storage facilities for your exact needs

Unik placering med logistik og infrastruktur i top

Erhvervsparkens centrale placering betyder, at du som lejer har direkte forbindelse til Aalborg Containerterminal og jernbane samt kort og let adgang til E45 motorvejen.

Jernbanen giver dig direkte forbindelse til danske og europæiske jernbanenet samt let håndtering mellem skib og bane på 2 spor af hver 229 meter. Desuden tilbyder vores 88.900 m² containerterminalen effektiv og sikker håndtering og oplagring af containere.
